Dear Zhu Guohong,

NOAA's Office of Coast Survey has completed the evaluation of the Beijing Situo Ocean Information Technology Co., application for certification as a "Certified NOAA ENC Value Added Distributor." I am pleased to inform you that your application has been approved. The following dates apply to this certification:

Date of Issuance: August 15, 2011
Date of Expiration: August 15, 2016

Effective upon the date of issuance, you may begin using the term "Certified NOAA ENC Value Added Distributor" on products and marketing materials. In accordance with 15 CFR Part 995.21, the first bi-annual registry of data users should be provided to NOAA by January 1, 2012. Subsequent reports shall be provided on July 1 and January 1 of each year.

You will be receiving information under a separate cover concerning use of the NOAA emblem. You are reminded that NOAA reserves the right to audit Beijing Situo Ocean Information Technology Co, to ensure that the certification requirements are being met.

Questions regarding this certification can be directed to:
